# Ealing CC After School Cricket Club 2008

**After School Club 2008 will begin Tuesday 22nd April and will run every Tuesday & Wednesday (excluding the Half-Term week of May 26th - 30th) until the last one on July 9th, a total of 22 sessions.**

After School Cricket will operate from 4pm-5.30pm on each day and is open to young cricketers aged 8-14 with an experience of hardball cricket. The club will primarily involve use of Ealing CC's nets and artificial wicket area for supervised hardball practice.

After School Cricket is ideal for children requiring supervised activity before their parents can return from work. In addition, although cricket training will finish at 5.30pm, children can then await collection in the Ealing CC clubhouse, which will be open for drinks and refreshments. In the event of particularly bad weather, the club will continue inside where children can await collection as normal.

The joining fee for both days of the After School Cricket Club is £145, whilst to attend either Tuesdays or Wednesdays is £79. There are a maximum of 30 places available although there may be occasions when parents can book a single day or week.

If you would like a place on the After School Cricket Club 2008 please complete the application form below and enclose the appropriate payment. For more information, please contact me by phone or email me at the address given below.
