### **Notes**

Individual coaching is available in 1 hour and 90 minute slots. If you pay for 5 hours in advance you get a 6th hour free. Individual coaching will be running on every day as long as we have enough coaches.

Group Nets have a maximum capacity of 25 with bowling machine practice, nets, fielding work and some games. Children will be split between those wishing to play hardball cricket and those who want softball.

Twenty/20 Matches - 2 T20 games using a hardball for the first 22 children applying with matches played on the artificial pitch at Ealing CC. Children should be comfortable using a hard cricket ball. Each match should last about 2 hours 30 minutes with net practice available for those waiting to bat.

Application forms for Group Nets July 6th - 10th and the 2 Twenty/20 matches are available on the courses section of the Coaching Cricket Excellence website now
